

UH College of Technology Computer Access

Virtual Lab

We do have the option for students to access to all of the COT software through our virtual open lab which works from PC or Mac remotely.

To access virtual lab:

1. Click link: <https://virtual.tech.uh.edu/vpn/index.html>
2. Log in with your regular cougar net ID and password that you use for access UH
3. Once you have access click on "Open Lab" to access software's

To Reserve a Space in the 116-T2 Open Lab

If your needs require physical computers you can book a space in the open lab in 116-T2 on Main campus. Due to social distancing requirements space is limited and we require a reservation in advance though you can book a space right before entering though to ensure access booking ahead is recommended.

To book your reservation:

1. Go To:
<https://outlook.office365.com/owa/calendar/COTIT@Central.UH.EDU/bookings/>
2. Fill out the form and submit it by clicking on "Book"
3. When you arrive check in T2 in at the half door in 103-T2
4. A keyboard and mouse will be checked out to you for your use while in the lab which you need to return when you leave

MD Anderson Library

Another option for physical computers is to use the library Open Lab.

To view available hours visit:
